Web: <http://www.TheCFDD.com>

Date: September 21, 2010

To: Advisors & Individual Registrants

Subject: **CFDD 2010 ADVISOR CONFERENCE:
Individual Registration Information & Form:**

CONFERENCE OVERVIEW:

In a no growth world, **consolidation and differentiation are the ONLY paths to practice expansion.** Consistent with our sole purpose of helping “expert” retirement plan advisors participate in the consolidation of advisory services, **the CFDD’s 2010 Advisor Conference and the ERISA Advisor Evaluator (EAE) Program will provide the catalyst.**

The CFDD’s October 6-8, 2010 Advisor Conference, *NEW AGE MARKETING: What Worked In The Past Is No Longer Effective*, will be held at the conveniently located downtown Fairmont Chicago-Millennium Park Hotel. As a centrally located, business friendly and resource rich area, Chicago and the AAA four-diamond Fairmont have no equal as a conference location.

While CFDD ’09 was another homerun, CFDD ’10 is **designed more intimately to facilitate enhanced learning and deeper networking.** Specific education tracks will be threaded throughout the conference and more advisor roundtables will be included in the event.

As the only conference that focuses exclusively on practice management and helping advisors grow their business, the **CFDD attracts more accomplished retirement advisors than any other industry event.** The CFDD’s advisor network controls the lion’s share of retirement plan assets and our ratio of advisor attendees to total registrants is unmatched.

Our premier advisor event has always been **distinguished by an unbiased approach, a content rich agenda, advisor attendance, CE credits, value and peer networking.** Designed to have a measurable impact, our valuable takeaways can be used immediately.

The two and one-half day advisor-centric conference is an all business event designed to help advisors:

- **Harness New Media Marketing**
- **Differentiate & Distinguish Value**
- **Increase Activity**
- **Participate In Consolidation Of Advisory Services**
- **Improve Efficiency**
- **Manage Liability**
- **Earn Maximum CE Credits**

BOTTOM UP, CONTENT RICH & ADVISOR-CENTRIC AGENDA

Widely known as the King of Content, the CFDD has an excellent record of forecasting major events and industry trends. Rather than participate in industry cheerleading, we remain **the only organization to address controversial subjects and challenge accepted industry practices.**

The CFDD '10 bottom-up agenda consists of over fifty different breakout sessions, including daily keynote sessions. Representing the brightest minds in the industry, **more than 100 industry experts will participate in the content rich agenda, including fifty accomplished retirement plan advisors.** In addition to being populated by a "Who's Who in The Industry," the agenda is fresh and forecasts the direction of the retirement plans market.

FUN & NETWORKING FRIENDLY ATMOSPHERE

To bridge the gap and create a relaxed, fun and networking friendly atmosphere, **CFDD '10 will feature a lively 50's theme**, including music, cocktails, food and entertainment. In addition to **hula hoop and twist contests**, the conference includes authentic 50's **His & Hers Attire Awards** and a **Grand Prize Trip To Graceland** for two.

The contest winners and those donning the most authentic 50's attire will be awarded valuable prizes during the Tuesday evening Kick-Off Party. The Grand Prize Trip To Graceland will be awarded after the concluding event just before noon on Friday. **All registrants are eligible for the awards and prizes.**

UNMATCHED VALUE

In addition to a strong agenda, registrants benefit from **one stop shopping for CE credits, a discounted insurance program, new media business development, a CD-ROM of the entire conference and access to all prior conference presentations.** Attendees also benefit from a major kick-off party, valuable prizes & awards, complimentary breakfast/lunch/cocktail parties and VIP vendor invitations.

In addition to unmatched educational content, the CFDD's conferences offer compelling value and entertaining themes that are conducive to networking. **To take advantage of early registration discounts, YOU MUST REGISTER EARLY.**

To register online and pay with a credit card, go to <http://www.thecfdd.com/CFDDconference2010> and click on Online Registration/Credit Card Payment. You may also register directly at: <http://www.regonline.com/Checkin.asp?EventId=780348>.

AGENDA OVERVIEW & HIGHLIGHTS

The bottom up, content rich and advisor-centric CFDD '10 agenda consists of over **fifty (50) different sessions**, including daily keynotes.

The unbiased, timely, pertinent, fresh and predictive agenda is populated by a “Who’s Who” of over one hundred (100) recognized industry experts, including more than **fifty (50) accomplished retirement plan advisors**.

The CFDD does not facilitate industry cheerleading or paid commercials. In addition to providing attendees with valuable takeaways that can be used immediately, we address controversial topics and challenge accepted industry practices.

While the CFDD’s 2009 agenda is widely recognized as the standard to beat, **we have assembled the industry’s brightest minds in an attempt to top last year’s agenda**. While summarizing more than fifty different content rich sessions on 1-2 pages is not possible, some of the key sessions are listed below, including our three (3) keynote/general sessions.

- ***Washington Update***
 - Steve Saxon, Chairman, Groom Law Group

- ***The March Towards Socialism: Impact On Advisors, & The Retirement Industry***
 - Marcia S. Wagner, Managing Director, The Wagner Law Group
 - Jerry Bramlett, President & CEO, NextStep Defined Contribution, Inc.

- ***The Future Of National Retirement Policy***
 - Pete Swisher, Sr. Institutional Consultant, Unified Trust Company, NA
 - Fred Reish, Managing Director, Reish & Reicher
 - Robert Gordon Chambers, Partner, McGuireWoods, LLP & Past Chairman of the American Benefits Council

- ***What Type Of ERISA Fiduciary Are You & Why It Matters:***
 - David Witz (Moderator), Managing Director, FRA/PlanTools
 - Jeff Gratton, Corporate Retirement Plan Consultant, SageView Advisory Group
 - Robbie Cannon, President & CEO, Horizon Investments, LLC
 - Jason Roberts, Partner & Co-Chair Financial Services Group, Reish & Reicher

- ***The Evolving BD/Financial Services Retirement Plans Model***
 - Phillip G. Chiricotti, President, Center for Due Diligence
 - Fred Reish, Managing Director, Reish & Reicher
 - Pete Swisher, Sr. Institutional Consultant, Unified Trust Company, NA

Given that advisors need a marketing program rather than a single strategy, other sessions consistent with the changing dynamics include: ***Informational Marketing, Leveraging Centers of Influence, Developing Your Own Lists, Aggressive Approaches To Marketing Your Business*** and ***Winning Strategies For Retirement Plan Sales***.

In an industry first, CFDD '10 will host four (4) back-to-back sessions on ***Investment Reporting: A Side-by-Side Comparison***. The sessions will contrast the solutions from Fi360, FiRM, Advisor Workstation, PlanTools, Newkirk, Lipper, Morningstar Direct, MPI, Zephyr and several customized solutions. The Investment Reporting sessions are populated by four distinguished moderators and twelve (12) highly accomplished retirement plan advisors.

The MPI team will also moderate sessions on ***How To Distinguish Your Research & Reporting Tools*** and ***Identifying Problem Managers Before They Blow Up***. Ibbotson's highly respected Tom Idzorek, CIO & Director of Research/Product Development, will also discuss ***Going Beyond The Markowitz Mean-Variance***.

In another industry first, the agenda includes four (4) back-to-back sessions on ***Credentials: Which Ones & Why***. Stirring the alphabet soup, fourteen (14) multi-credentialed advisors will compare the CIMA, AIF, PPC, AIFA, PRP, CRPS, QPFC, CFP, ChFC, CLU, CFA, Certified Fiduciary Advisor, CEBS and CFS designations.

Based on fresh proprietary research conducted for the conference, Eric Henon, President, EACH Enterprises, will moderate sessions on ***How to Service Small Plans Profitably*** and ***BOR Consolidation: How Providers Can Accommodate Consolidating Advisors***. The sessions will be populated by highly skilled advisors and providers with major presence in the small plan market.

The ***Retirement Income Smackdown Case Study: Three Advisors Using Different Approaches Duke It Out Over The Best Solution For "One" Client*** will be moderated by Keith Diffenderffer, President, Endowment Income.

Case study submissions are open to all industry professionals who plan to attend the conference. The three best entries representing the Buckets, Total Return and Guaranteed schools will be selected as finalists. The audience of peers will vote to determine the winner. **The winner will receive prizes, a certificate suitable for framing, peer recognition, and BUSINESS BUILDING VISIBILITY through press releases, interviews, videos and Internet Broadcasting.**

To view the case study specifics, click [HERE](#). To enter the smackdown, email your retirement income plan to CFDD@TheCFDD.com. Please note that this is a retirement income study, not an estate planning study. As with any real life client situation, advisors must make their own assumptions and plan for contingencies.

David Witz (Managing Director, FRA/PlanTools) and Larry Goldbrum (General Counsel, SPARK) will explain ***How Not To Get Sued***. Randy Long (Managing Principal, SageView Advisory Group) will conduct the presentation on ***B-D Supervision of Independent RIA Activities***.

Other noteworthy sessions include: *Cross Selling Strategies & ERISA Compliance, Multiple-Employer Plans* and *Outsourcing 3(21) & 3(38) Solutions*.

Given the pressure on practice margins, Don Stone (President, Plan Sponsor Advisors) and Brian Hubbell (Principal, Hubbell Consulting) will discuss the pertinent session on the *Economics & Service Dynamics Of Small Firm Mergers*. Dan Esch, Managing Director, DC Advisors, Inc., will join Stone for the session on *What Does It Take To Play In The Large Plan Market & Why Would You Want To*.

As noted, the highlighted sessions above represent only a portion of the content rich agenda. For more information on the conference, including detailed topic descriptions and speaker bios, go to the conference homepage at: <http://www.thecfdd.com/CFDDconference2010>.

TOPIC SUGGESTIONS & PARTICIPATION IN THE CONFERENCE AGENDA

The CFDD's bottom-up approach to the conference agenda is both interactive and dynamic. Topic suggestions are always welcome. As our advisor base expands, **more advisors are queued up to participate in the 2010 agenda than ever before**. If you wish to participate in the agenda and join the "Who's Who Of Accomplished Retirement Plan Advisors," email us at CFDD@TheCFDD.com as soon as possible.

To qualify for a place on the agenda, candidates must be accomplished, in a position to add value and willing to invest the time to deliver elevated content worthy of a sophisticated audience. In addition to a meaningful one paragraph description, **a polished outline must be provided two weeks in advance of the conference**. All sessions must be accompanied by an outline.

In lieu of handout material, the outlines are uploaded to the conference homepage. In this manner, registrants may view, download and print the outlines in advance of the conference. However, a few dozen printouts should be brought to each session by the speakers as a courtesy to their audience.

Each presentation outline, along with the corresponding audio session, will be included in the conference CD-ROM. To ensure a quality recorded CD-ROM, all presenters/moderators must wear their wireless microphones and all panelists should speak into their podium style microphones directly. **Questions from the audience should also be repeated into a microphone before being answered by the presenters**.

Presenters should **bring a USB Flash/Thumb drive containing their presentation (Microsoft PowerPoint)**. Laptop/Notebook (PC) computers running XP operating systems will be provided by the CFDD. LCD projectors and screen will also be supplied, including an audio connection for any sound that may be included in the presentation.

Panels will be teamed with one moderator and a maximum of four (4) panelists. To allow time for questions, the presentation should be limited to forty-five minutes. Panel moderators are expected to be active and ask challenging questions. **Although panel moderators are primarily responsible for preparing the outline, panel participants are expected to contribute to the content in a timely manner.**

Commercials are not allowed and **all sessions must remain focused on the agenda topic.** Agenda participants should emphasize meaningful information that advisors can utilize immediately for a measurable impact on their business.

Again, the CFDD's conferences are not designed for generalists or rookies. Attendees do not want to hear commercials, speaker accomplishments or dated information. Attendees do, however, want to increase professionalism, identify trends, grow their business, become more efficient and manage liability. Presenters should structure their presentations accordingly.

Experience and domain-specific education determine expert status. Industry conferences provide a key source of education as well as factual evidence to support a claim of expertise. Given the growing risk of being deposed, **advisors would be wise to attend and/or speak at premier industry conferences and follow up with white papers.**

CONFERENCE DOCUMENTS & PRESENTATIONS

Detailed information about the conference, including: *Registration Information*, *Schedule of Events*, *Topic Descriptions*, *Speaker Bios*, *Exhibitor Information*, the *Attendance List* and other documents will be posted on the CFDD's 2010 Advisor Conference home page at the following link: <http://www.thecfdd.com/CFDDconference2010>.

The interactive conference agenda is dynamic and subject to change. As a result, registrants should monitor the conference home page as the event approaches to ensure they are viewing the most current information.

As they are received, the conference presentations are uploaded to a secure area of the CFDD's website. By downloading this material from our website, **registrants can view the presentations before, during and after the conference.** Registrants can also determine which of the breakout sessions best meets their needs in advance of the event.

In addition to the 2010 presentations, registrants **may view and download all presentations from the CFDD's 2005 - 2009 conferences** via links located on the bottom of the 2010 conference homepage.

In addition to the presentation downloads, **all attendees will receive a complimentary CD-ROM of the entire conference.** The CD includes MP3s of all the session recordings as well as data files of all the presentation material. The CDs are mailed to all registrants approximately two weeks after the conference.

Although some speakers bring a small number of copies for handout, the presentations are not part of the CFDD's conference handout material. As a result, **registrants should download and print the presentations prior to the conference.** Registrants may also download the presentations to their laptops and view them during the breakout sessions.

In addition to being eco-friendly, the paperless approach facilitates presentation revisions at any time. It also precludes size restrictions on the presentation material and provides the flexibility of providing additional resources.

CONFERENCE CE CREDITS

As the industry matures, becomes more competitive and advisors seek to distinguish themselves, designations, credentials and association memberships have become key components of the sales, marketing and selection process for professionals.

Based on increased business demands and the growing importance of professional development for competitive positioning, CE credits have become invaluable to overburdened advisors. To meet these needs, **the CFDD's conveniently located Chicago-based Advisor Conference is THE ONE STOP SHOP FOR CORE CE CREDITS.**

Based on an outstanding agenda, CE credits applicable to the **IMCA, fi360, ASPPA, NIPA and FSS designations** are all available to conference attendees.

Widely known as the unbiased King of Content, the CFDD's 2009 Advisor Conference was also awarded an unprecedented 41 hours of CE credits by the **CFP Board** and 30 hours of credits by the **IBF**. Similar credits are expected to apply to the 2010 conference.

Additionally, CE credits also apply to various designations offered by the **CFA Institute, SPARK, The American College** and the **College for Financial Planning**, including the CLU, ChFC & the CRPS.

While acceptance will vary on a case-by-case basis, select **B-D's may apply CFDD Advisor Conference CE credits to FINRA's annual Firm Element requirement.** CPE credits for accountants may also apply to select sessions at the 2010 conference.

DISCOUNT INSURANCE PROGRAM: Marketing & Risk Reduction

Most plan sponsors lack fiduciary liability insurance and while they may not realize it, most advisors lack E&O coverage for fiduciary services provided to ERISA plans.

Many advisors who have left their B-Ds and launched their own practice have dropped their E&O Insurance. Margins are certainly under pressure, but advisors who lack adequate insurance coverage and appropriate bonding will be the first to be eliminated by knowledgeable plan sponsors.

As the advisor selection process becomes professionalized, advisors who lack E&O Insurance with affirmative fiduciary coverage (no ERISA exclusions) and ERISA Investment Bonds will be operating at a competitive disadvantage.

The lack of E&O insurance coverage for fiduciary acts will accelerate the consolidation of advisory services and drive advisors who lack adequate coverage out of the retirement plans business. To remain competitive, advisors should be proactive by affirming their coverage of fiduciary acts for others and be prepared for expanded vetting of their insurance policies.

Recognizing the professionalism of “expert” retirement plan advisors, **the CFDD has developed a discount insurance program for advisors and their plan sponsor clients.**

Advisors registered for the CFDD Advisor Conference and EAE users are pre-qualified to receive a discount on their E&O insurance.

Additionally, **the CFDD’s advisor clients may offer fiduciary liability insurance discounts to their plan sponsor clients.** For more information on the industry’s first discounted insurance program and/or to have your policies reviewed, go to: <http://www.thecfdd.com/InsuranceDiscounts>.

In addition to saving money on their own E&O Insurance, advisors can save their sponsor clients money and use the savings as a marketing tool.

The discounts and coverage are important to plan sponsors and advisors. In addition to the marketing edge, fiduciary liability insurance helps protect advisors from non-advisor negligence. This is important because class action litigation against employers, corresponding financial exposure, fiduciary breach claims and settlements have all increased sharply.

The discounts may be worth more than the cost of the EAE Program and the conference registration fee, but advisors must be a current CFDD client to qualify. For more information on the discounted insurance program, contact NAPLIA’s Gary Sutherland or Tom Schrandt at (866) 262-7542. Gary can also be reached by email at Garys@naplia.com and Tom can be reached at Toms@naplia.com

INTERNET BROADCASTING, SPEAKER/EXHIBITOR INTERVIEWS & MORE

To add value, distinguish the CFDD and help our clients grow their business, we are expanding our internet broadcasting and new media marketing presence. Our goal is to **heighten client visibility, position retirement plan specialists as experts and increase exposure to prospects through pull marketing.**

As the CFDD evolves into a **marketing platform to fuel client growth**, we are launching an innovative menu of new media marketing services. These unique, high value, convenient, cost effective and multi-purpose services are offered exclusively to CFDD clients and include:

- Internet Broadcast Radio Station Devoted To Retirement Plans Content
- Turnkey Advisor Hosted Internet Broadcast Radio Show
- Collateral Marketing Materials & Strategy For EAE Advisors
- Video Leveraged Click Through Email Marketing
- Prospect Database Consulting

Internet broadcasting is a high value and low cost marketing strategy with huge untapped potential. **As a bonus, speakers on the CFDD's Advisor Conference agenda and exhibitor representatives will be interviewed at no cost by *The CFDD Station*, an internet broadcasting radio station devoted exclusively to retirement plans content.** To access the Speaker and Exhibitor interviews, go to: <http://www.bmbc.tv/channels.php?n=3>.

The audio interviews will be hosted and aired 24/7 on *The CFDD Station*. Each interview will open to a dedicated web page with a photo, bio and URL link. To broaden the audience, the descriptive written content is designed to optimize and drive search engine traffic to each interview. As an added bonus, the online content will remain archived and accessible on the station.

To generate leads and motivate key individuals to open their rolodex through viral marketing, **we have developed a *Local Business Leaders (LBL)* template for retirement plan advisors who wish to host their own show.**

In addition to positioning advisors as experts, **internet broadcasting will play a major role in our efforts to market the EAE program** direct to plan sponsors, business owners, CEOs, human resource executives ERISA attorneys, CPAs and other centers of influence.

For more information on *The CFDD Station* and the *Local Business Leaders* Program, go to: <http://www.thecfdd.com/internetbroadcasting>.

For more information on the EAE Program, go to: <http://www.thecfdd.com/EAEprogram>.

HIS & HERS 50's CLOTHING AWARDS & CONTESTS

Advisors work hard all year and the conference's rich content will require attendees to remain focused. To bridge the gap and create a relaxed, fun and productive networking environment, the Tuesday evening Kick-Off Party will feature a 50's theme with music, cocktails, food and entertainment.

The Kick-Off Party will also feature hula hoop and twist contests along with attire awards. The contest winners and those donning the most authentic 50's attire will be awarded valuable prizes during the party.

Attendees wearing the most authentic 50's attire during Tuesday's Kick-Off Party will have a chance to win unique 50's clothing. Custom Satin Jackets, Varsity Sweaters and Bowling Shirts will be presented on stage during the Kick-Off Party on Tuesday evening, 10/5/10, by the sponsor.

All pre-registered attendees are eligible for the Attire Awards and contests. The winners must, however, be in attendance to claim their prizes.

GRAND PRIZE TRIP TO GRACELAND FOR TWO

Consistent with our 50's theme and commemorating Elvis Presley's 75-year anniversary, the CFDD is pleased to offer a trip to Graceland for two as the conference grand prize.

Pampered by a custom hotel and spa package, the winner will spend 5 luxurious nights at the Peabody Hotel in Memphis, a Mobil Four-Star and AAA Four-Diamond historic hotel.

Tour Graceland privately and enjoy a vintage car & driver for the day. Experience a behind-the-scenes tour of both the Stax Museum and Sun Studio, where Elvis first recorded. Create your own after-hours CD recording at a private session at Sun Studio. Enjoy the music of Memphis aboard the Music Mojo Tour Bus. Visit Beale Street, the Lorraine Motel, movie locations, Elvis Presley Plaza and the Overton Park Shell.

Additional detailed information concerning the Grand Prize Trip To Graceland will be on prominent display throughout the 2 ½ day conference at a dedicated 50's themed station.

The station will include a photo backdrop with 50's props and apparel. Complimentary photos will be provided by the sponsor, The Guardian Life Insurance Company of America. The high quality digital photos will be available immediately and uploaded to the CFDD's website after the conference.

The winner of the Grand Prize Trip To Graceland will be selected onstage by The Guardian at the conclusion of the conference on Friday morning, 10/8/10. While all pre-registered attendees are eligible for the grand prize, the winner must be in attendance to claim their prize.

For more information on this legendary, charming and elegant hotel, visit The Peabody Memphis online at: <http://www.peabodymemphis.com>.

For a video tour of the South's Grand Lady and a killer soundtrack, view the video at: http://animoto.com/play/js4MkPM3YpTMvVPMYXKMBA?utm_content=escape_link

When asked what he missed about Memphis in an interview, Elvis Presley replied: "Everything." To experience the moment, Click [HERE](#) for a taste of the legendary King Of Rock & Roll.

INDIVIDUAL REGISTRATION FEES/REFUNDS

Individual advisor registration fees are discounted and graded for advisors who register before 5/01/10. Advisor registration fees are \$775 after 5/01/10. Individual non-advisor registration fees are a flat \$775 regardless of the date of registration.

Given that CFDD conferences generally sell out early, advisors should **take advantage of the early registration discounts**.

The financial services and retirement plans industry have matured and become more complicated. As specialization increases, generalists are facing a second tier status of professionalism. Less than 5% of those practicing in any profession are truly competent and **networking with the elite can provide valuable learning opportunities**.

To leverage the unmatched value offered by the CFDD's Advisor conference, **return the conference registration form and payment to: CFDD, P.O. Box 8, Western Springs, IL 60558.**

To register online and pay with a credit card, go to <http://www.thecfdd.com/CFDDconference2010> and click on Online Registration/Credit Card Payment. You may also register directly at: <http://www.regonline.com/Checkin.asp?EventId=780348>.

Non-credit card cancellations will be honored with a full refund if notification is received by 9/6/10. Credit card registrants will receive a full refund less a 10% credit card processing fee. Refunds will not be issued after 9/6/10, but substitutions and credit towards the following year's conference will be available.

REGISTRATION & CONFERENCE HOURS

The conference Kick-Off Party is scheduled from 7:00 p.m. – 9:30 p.m. on Tuesday evening, 10/5/2010, in the hotel's lobby level Moulin Rouge room.

As a courtesy and to avoid congestion, **early registration will open in the Imperial Foyer at 3:00 p.m. on Tuesday, 10/5/10**, and remain open throughout the Kick-Off Party. Official conference registration starts on Wednesday morning, 10/6/10, at 6:30 a.m. and will remain open throughout the conference.

Exhibitor setup will open at 10:00 a.m. on Tuesday, 10/5/10, and must be completed before 9:30 p.m. on Tuesday evening. Teardown is scheduled from 11:00 a.m. – 3:00 p.m. on Friday, 10/8/10.

Exhibition hours in the Imperial Ballroom will be 6:30 a.m. – 7:00 p.m. on Wednesday and Thursday and 6:30 a.m. – 11:00 a.m. on Friday.

Daily breakout sessions will start at 7:30 a.m. and end at 5:30 p.m. on Wednesday and Thursday. The two and one-half day event will conclude on Friday with three morning general sessions followed by the Grand Prize drawing. Official conference activities will end just before noon on Friday, 10/8/10.

In addition to the Kick-Off Party, complimentary open bar **cocktail parties** will be hosted from 5:30 p.m. – 6:30 p.m. on Wednesday and Thursday. Complimentary **breakfasts** will be served on Wednesday, Thursday and Friday from 6:30 a.m. – 7:30 a.m. Complimentary **lunches** will be served on Wednesday and Thursday from 12:45 p.m. – 1:45 p.m.

All cocktail parties, breakfasts, lunches and breaks will be held in the Imperial Ballroom exhibition area, located on the B-2 lower level.

HOTEL ACCOMMODATIONS/RESERVATIONS

As a centrally located destination, business friendly city and resource rich area, Chicago has no equal as a conference location. Consistent with the CFDD's "all business" reputation, we have teamed the conference with the city's premier event hotel, the Fairmont Chicago-Millennium Park Hotel.

Rising gracefully above Millennium Park and the impressive lakefront, the AAA four-diamond luxury hotel's location provides countless opportunities for those wishing to enjoy Chicago's world class attractions.

While luxury resort hotels tend to be expensive, the CFDD has negotiated a **discounted group rate of \$219 per night for standard rooms**. Significant discounts are also applicable to upgraded rooms and suites. Based on availability, the discounted rate is available 3 days before/after the conference dates and there is no additional cost for double occupancy or children under 18.

October is a busy time of year for Chicago hotels. Since the world class Chicago Marathon is scheduled for the weekend after the CFDD Conference ends, **hotel reservations should be made as soon as possible**. Hotel space is limited and rates could increase significantly after our 9/14/10 cutoff date. Reservations after the cutoff date, or exceeding our contracted room block, are confirmed on a space and rate available basis only.

Reservations can be made by phone or online. To register by phone, contact the Fairmont Chicago-Millennium Park Hotel directly by calling (312) 565-8000 or (800) 526-2008.

Online reservations can be made by linking directly to the CFDD's dedicated reservations page at: https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=1487055.

The Fairmont's system has been upgraded and the entry of a promotional code is no longer required for online reservations.

If you reserve your room by phone, **YOU MUST MENTION THAT YOU ARE ATTENDING THE CENTER FOR DUE DILIGENCE CONFERENCE to obtain our group rate. If you do not mention the CFDD, you may be told the hotel is sold out.**

While the conference hotel is expected to sell out early, conveniently located and competitively priced overflow hotel rooms will be available. For information on overflow hotels, go to: http://www.thecfdd.com/2010Conf_OverflowHotels.

As noted, the conference is scheduled from October 6 – 8, 2010 over a Wednesday-Friday period, but exhibitor setup and the conference Kick-Off Party are scheduled for Tuesday, October 5, 2010. If you plan on arriving early, be sure to **book your hotel and travel arrangements accordingly**.

Given that shuttle services and taxis are conveniently available, we would advise against renting a vehicle and self-parking at downtown Chicago hotels.

**CFDD ADVISOR CONFERNECE

CFDD 2010 ADVISOR CONFERENCE HOTEL RESERVATION INFORMATION

(Contact Fairmont Directly)

October 6-8, 2010 (Wednesday - Friday)
The Fairmont Chicago - Millennium Park
Chicago, IL 60601

Hotel reservations now being taken at:

Fairmont Chicago-Millennium Park Hotel

200 N. Columbus Drive
Chicago, IL 60601

(800) 526-2008

(312) 565-8000

Reservations can be made by phone or online. To register by phone, contact the Fairmont Chicago Hotel directly by calling (312) 565-8000 or (800) 526-2008.

Online reservations can be made by linking directly to the CFDD's dedicated reservations page at: https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=1487055. The Fairmont's system has been upgraded and the entry of a promotional code is no longer required.

If you reserve your room by phone, **YOU MUST MENTION THAT YOU ARE ATTENDING THE CENTER FOR DUE DILIGENCE CONFERENCE to obtain our group rate.** If you do not mention the CFDD, you may be told the hotel is sold out. While the conference hotel is expected to sell out early, conveniently located overflow hotels will be available.

October is a busy time of year for Chicago hotels and the world class Chicago Marathon is scheduled for the weekend after the CFDD Conference ends. As a result, **hotel reservations should be made as soon as possible.** Hotel space is limited and rates could increase significantly after our 9/14/10 cutoff date. Reservations after the cutoff date, or exceeding our contracted room block, are confirmed on a space and rate available basis only. Applicable state and local taxes are not included in the rate. Individuals are responsible for their own room, tax, incidental charges and other authorized charges. Individuals/groups who fail to cancel room reservations three days before their date of arrival will be charged the room rate plus tax for one night by the hotel.

As noted, the conference is scheduled from October 6 – 8, 2010 over a Wednesday-Friday period, but exhibitor setup and the conference Kick-Off Party are scheduled for Tuesday, October 5, 2010. If you plan on arriving early, be sure to **book your hotel and travel arrangements accordingly.**
